Lá ar an Trá

An Satharn a bhí ann. Chuaigh Éanna agus Róisín go dtí an trá. Chuir Éanna a bhríste snámha air. Chuir Róisín a culaith shnámha uirthi. Léim Éanna agus Róisín isteach san fharraige. Bhí siad ag snámh, ag tumadh agus ag súgradh le liathróid trá.

Rug an ghaoth ar an liathróid trá agus d'imigh sí. Níor lean na páistí an liathróid trá.

Ansin rug portán ar chos dheas Róisín. Thosaigh Róisín ag béiceadh. Bhí smugairle róin san uisce. Fuair Éanna cealg ón smugairle róin ina chos chlé. Thosaigh Éanna ag béiceadh freisin.

Thosaigh an taoide ag teacht isteach. Rith Éanna agus Róisín amach as an uisce. Bhí na héadaí ar an trá fliuch. Bhí picnic ag na páistí ansin ach thit ceapaire Éanna ar an ngaineamh. Chuaigh Éanna agus Róisín abhaile. Bhí brón orthu.

Translation Work (based on "Lá ar an Trá")

Remember you can record yourself translating this if you would like!

Alt 1

It was the weekend. The sun was shining. I went to the beach. I put a swimsuit on, and I jumped into the water.

I was swimming, diving and playing with my friends.

A crab gripped my right foot and I started screaming.

Alt 2

My friends saw a jelly fish and they started screaming as well.

We ran out of the water, because we were afraid.

We ate sandwiches and we drank tea.

We went home at 6 o'clock.
